Encompass Group, LLC Background

McDonough, GA–(2012)– Encompass is one of the world’s leading manufacturers and marketers of reusable textiles, professional apparel, and disposable and single use medical products. Encompass is a privately held company headquartered in McDonough, Georgia.

For nearly a century, Encompass has been helping health care and hospitality organizations create safe and comfortable environments for patients, staff, residents and guests. By focusing on innovation, product knowledge and customer service, the company strives to meet the needs of its clients by always being first in safety and comfort.

Markets served include Acute Care, Long-Term Care/Senior Care, Retail Health Care Apparel, Hospitality, and Government Operations.

In addition to providing an extensive range of targeted health care/hospitality products, Encompass also assists its clients by offering a diverse portfolio of health care and hospitality focused services, including cost management programs, professionally certified continuing education courses, and sophisticated interior design capabilities.

Encompass has built a team of more than 700 dedicated professionals who specialize in all aspects of customer care: sales, customer service, clinical products, education, and interior design.

Its people and services, combined with comprehensive distribution and manufacturing facilities, allow Encompass to offer customers the broadest spectrum of textile-related solutions in the health care marketplace today.
