

NONWOVEN PATIENT CLEANERS

BENEFITING **starlight**[™]
children's foundation starlight.org

Techstyles[®] nonwoven patient cleaners have been trusted and preferred by clinicians in nursery and wound care environments for over 25 years. They provide the performance clinicians need along with the comfort and protection your patients deserve.

Encompass has partnered with Starlight Children's Foundation in this product line to benefit seriously ill children and their families. For more information on how your purchases help fund Starlight programs, visit encompassgroup.net.

Better care starts
with safety and comfort.

NONWOVEN PATIENT CLEANERS

“You Are Not Alone” Artist Profile - Anna Kristina

The artwork featured on our 10331-010 patient cleaner packaging was designed by 11 year old Starlight artist Anna Kristina of San Antonio, TX. The print is titled “You Are Not Alone” and was selected as part of a nationwide event in which Starlight children and their siblings submitted artwork to be featured in our pediatric product lines. She submitted the design on behalf of her younger brother, Peter Lukas. He was diagnosed with a yolk sac cancerous tumor when he was just 10 months old. Anna Kristina created ‘You Are Not Alone’ to remind young people who are ill that they are, in fact, not alone. The images of figures surrounded by other figures are meant to remind hospitalized children of the communities of support that surround them – their parents, siblings, friends, and other young children around the world also facing illness.

Every purchase helps fund Starlight programs. Three percent of the sales of this product will be contributed directly to Starlight Children’s Foundation for purchases made from January 1, 2011 to December 31, 2012, with a guaranteed minimum donation by Encompass of \$100,000.
