

NONWOVEN PATIENT CLEANERS

Techstyles® nonwoven patient cleaners provide the performance clinicians need and the comfort and protection your patients deserve.

This product line has been trusted and preferred by clinicians in nursery and wound care environments for over 25 years.

Better care starts
with safety and comfort.

NONWOVEN PATIENT CLEANERS

Techstyles® nonwoven patient cleaners are specifically designed for use in nursery and wound care environments and are offered in a wide variety of sizes and packaging options to meet the needs of today's healthcare environments..

All products in this line are made from high quality apertured rayon polyester blend that combines aggressive scouring ability with a soft and gentle touch for delicate skin.
